

DECLARATION AND POWER OF ATTORNEY FOR PATENT APPLICATION

As the below named inventors, we hereby declare that:

My residence, post office address and citizenship are as stated below, next to my name.

I believe that I am the original, first inventor of the subject matter which is claimed and for which a Patent Application under the Patent Cooperation Treaty has been filed on the invention entitled "Probes, Methods of Making Probes, and Applications using Probes", filed internationally on April 7, 2006, and granted application number PCT/US06/13681.

I hereby state that I have reviewed and understand the contents of the above identified Specification, including the Claims to Invention.

We hereby acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

The international application claims the benefit of the earlier filing date of: United States Provisional Patent Application Serial No. 60/669,029 filed on April 7, 2005, entitled "DNA Sequencing Method and System" and United States Provisional Patent Application Serial No. 60/699,619 filed on July 15, 2005 entitled "Molecular Analysis Probe, Systems and Methods, including DNA Sequencing"

I hereby declare that all statements made herein of our own knowledge are true, and that all statements made herein on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that willful false statements may jeopardize the validity of the application or any patent issued thereon.

POWER OF ATTORNEY:

As the named inventor, I hereby appoint Ralph J. Crispino, Reg. No. 46,144 to prosecute this application and transact all business in the Patent and Trademark Office connected herewith.
